

Tom Drummey Award

The WSPHA Tom Drummey Memorial Award is the highest award that is presented by this Association in recognition of the achievements and accomplishments of one of its members. This award was created in 1979 in recognition of Tom Drummey's leadership in WSPHA. It honors an individual who has demonstrated continuing interest in, and support of, WSPHA activities. The nominee must be a present or past member of the Association and resident of Washington State.
